Mr. Leonard Jacob II, Vice President
I T&T Corp

Dear Mr. Jacob:

Reference is made to your letter of August 7, 1947, relative to the return by the War Department to your corporation of a set of documents which was loaned to the Signal Corps, U. S. Army, early in the war.

The representative of the Intelligence Division, War Department General Staff (G-2, was in error in suggesting that you write the Central Intelligence Group in connection with the return of the aforementioned documents.

Since the War Department has complete jurisdiction over the Army Signal Corps, your letter, together with a copy of this reply, has been referred to that Department, through the Director of Intelligence, War Department General Staff.

If this organization can be of any further help to you, please do not hesitate to call on us.

Very sincerely yours,

/s/
